

Student Center

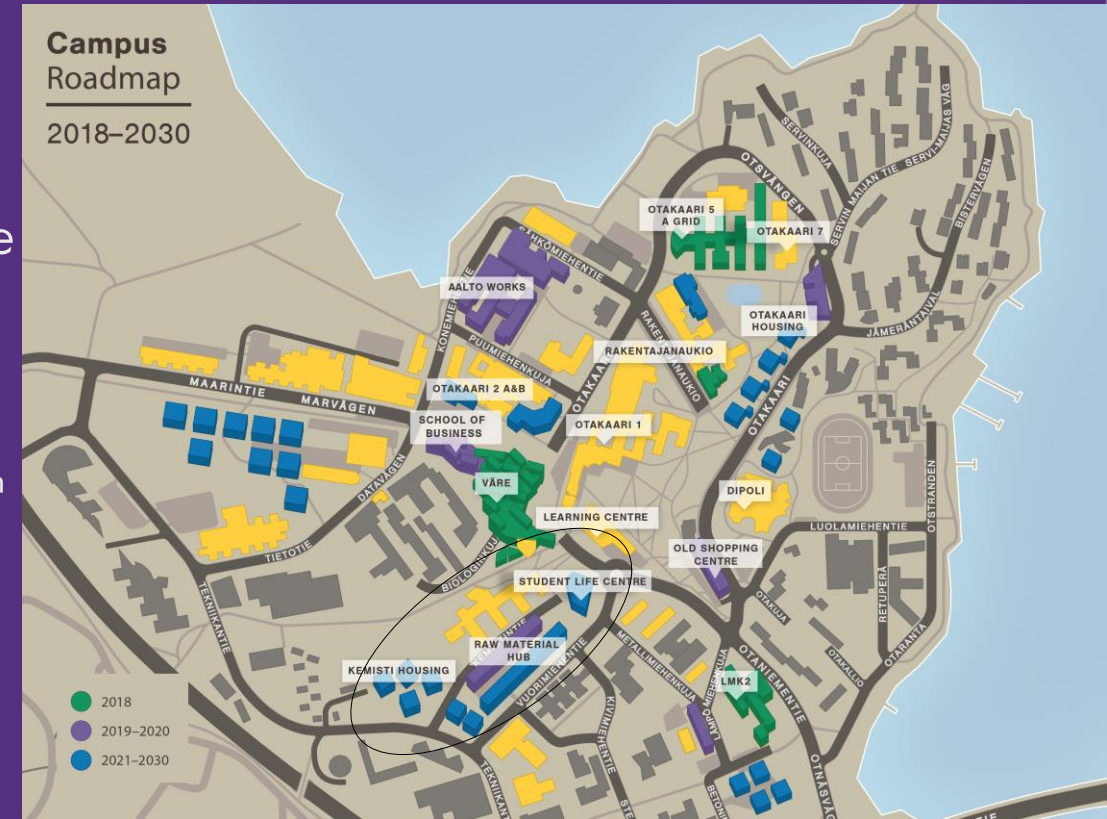

AYYE 6/2018

19.4.2018

News

- **Two sectors will be involved in the project:**
 - **Real Estate Sector**
 - I+I working group meetings
 - Working on the new facilities program based on the needs of the different parties
 - Next zoning meeting of the Kemisti block in May
 - **Community Sector**
 - Seminar on the Student Center was held on the 12th of April
 - 34 participants from the Representative Council, special status associations and sections
 - Head facilitator Jussi-Pekka Teini + 3 assistant facilitators

Vision

” The Student Center is a place for students to meet and spend their time in, a place that all Aalto people have a reason to visit.”

Preconditions regarding the Student Center (approved at AYYE 6/2017)

Student Center Seminar

- **Feedback, comments?**
 - The feedback form is still open today until midnight:
<https://lomake.ayy.fi/hallinto/palautetta-opiskelijakeskusseminaarista/>
 - Did comments emerge within the groups after the seminar?
- **Collection of the results is under way**
 - Follow-up survey in the works
 - Any wishes for the processing/publishing of the results?

It would be great if I/we could use the Student Center to...

What kind of facilities and services would you like to use at the Student Center?

How could the Student Center's facilities and services support the new user groups and members on the campus better than the current situation?

Next Steps

- **Processing the results of the seminar**
 - Follow-up survey
 - Website/Material Database?
- **Internal survey within the office regarding working and meeting spaces**
 - Separate survey for volunteers
- **Meetings with the working group and the 1+1 group**
- **Agreeing on the project plan follow-up with Haahtela**

AYYE 7/2018

- Presenting the results of the 1+1 working group
- Results of the seminar
